

Dynamic Teen Coalition Mid-Year Brief

 **DTC in Action: 2025 Recent United Nations Event Highlights**

 **We launched the world's first fully inclusive multistakeholder governance model and solved the UN's "Youth" problem:**  DTCs Inclusive lifelong Multistakeholder Model

 **We launched our new DTC Website:** dynamicteencoalition.org

 **ECOSOC** – Anusha & Anvay went to the UN NY in person to deliver high-level teen rights policy conversations

 **DCCG** – Amrith spoke on civil rights and the glaring lack of structural inclusion

 **ITU Citiverse** – Pyrate Ruby mentored multiple university teams who are building future cities now, with teens in mind

 **Our Future Agenda Engine Room** - Pyrate Ruby is the first under-18 Changemaker for UN Partnerships

 **WSIS+20** – Alia, Amrith & Netra introduced our inclusive lifelong multistakeholder model to evolving global frameworks, where Dr. Vint Cerf agreed to take the model to the IGF Leadership Panel

 **GDC Townhall** – Amrith pushed our inclusive lifelong multistakeholder model to structurally include teens at the UN and in all digital governance

 **IGF 2025** – Amrith (x2) & Aditya fought for our inclusive, lifelong multistakeholder model, and against blanket teen bans online.

 **WSIS+20 Co-Facilitator Consultations** – Amrith and Netra demanded structural protection of teen civil rights in their Elements Paper

 **HLPF** – onsite at the UN NY again, Anusha & Aditya spotlighted weak teen safeguarding & the need for true teen-centered accountability

 We didn't just show up. We reshaped the UN system since 2024 when **DTC was invited to, participated throughout and endorsed the Global Digital Compact.**
